

GIRLS FOOTBALL ACADEMY

Combine your studies with a 'football-rich' programme of activities. Durham Sixth Form Centre has secured a highly successful collaborative partnership with Durham Womens Football Club and Durham University.

Runners Up: FA National Hudl Cup 2017
Winners: A.O.C. Cat 2 League 2017

Girls undertaking a Football Academy programme of study are talented individuals who want to combine either a BTEC sports course or an A-level programme of study whilst receiving specialist coaching from fully qualified UEFA licenced coaches. In addition to undertaking a programme of study, students will:

RECEIVE FOUR HOURS OF COACHING PER WEEK

at Durham University Sports Centre, Maiden Castle.

REPRESENT THE CENTRE

on a Wednesday afternoon in A.O.C. National League and cup competitions.

GAIN THEIR COMMUNITY SPORTS LEADER AWARD (CSLA)

and for those committed leaders, the opportunity to take their Higher Sports Leader Award (only available to students following the BTEC Extended Diploma in Sport route).

OPPORTUNITY TO ATTEND WEEKLY STRENGTH AND CONDITIONING SESSIONS

at Maiden Castle.

The most able footballers will have the chance to progress into the Durham Womens Football Squad. Places are strictly limited due to the practical nature of the programme (30 players per year).

Trials are held between February–April. Pre-season training begins end of July/beginning of August. On completion of the programme of study, students can progress into sport-related careers or higher education.

Due to the practical nature of this programme, all Academy players require a full sports kit which can be purchased from the Durham Sixth Form Centre.

KIT INCLUDES

Home strip / training kit / Technical pants and top / Waterproof jacket / Kit bag
All badged with the players initials and Academy logo.
